Leading with Purpose.

UNIVERSITY OF ALBERTA

September 17, 2025

Dear Greta and the Polish Community,

Dziękuję bardzo.

On behalf of the students and staff in the Faculty of Arts, thank you for your support of the Polish Language program.

Your generous contributions have a direct and positive impact on our students, providing valuable opportunities for them to engage with the Polish language and culture. For some, it is a way to connect with their heritage, and for others, it is a chance to explore a new culture.

The support of Alberta's Polish community has been deeply appreciated. Your ability to mobilize has set an example for other heritage communities, and your generosity has allowed students to experience and learn from this program. Your commitment has meant a great deal to both students and faculty.

Once again, thank you for your support and dedication.

Best regards,
